ABOUT US

Wellcon Global Private Limited is a wellness-driven company based in New Delhi, founded in 2018. We offer high-quality, nutrition-rich food supplements designed to support digestion, energy, immunity, and overall well-being. Our flagship products—like Fitness Fiber, Active Meal, and Potion—cater to all age groups, from athletes to seniors. Despite a lean team, our commitment to quality and health has fueled steady growth, reaching a ₹30 lakh annual turnover. At Wellcon, we're not just selling supplements—we're promoting healthier, more energetic lives every day.
